

## **RE: March school reopening**

Assalamualaikum Warahmatullah  
Dear Parent/Guardian

We pray you are well.  
School will be opening on Monday March the 8th InshaAllah.

Please note that all pupils will be required to come at their usual time.

The following is some further useful information for your child's return to school:

### **Testing**

Primary pupils will not be tested.

Secondary pupils who have given consent to being tested will initially be tested thrice on site, each 3-5 days apart. When the students have had their third test, they will be given a home testing kit. The government have committed to providing students with two rapid tests a week to complete at home. We ask that one test is completed on a Sunday evening and the other test on a Wednesday evening.

### **Face Coverings**

Updated advice from the Government is that face masks **do need** to be worn in **communal areas** and **in classrooms** where social distancing cannot be maintained for **secondary pupils**.

Please ensure that face masks worn by your child are completely plain. It is important that your child brings a spare face mask, as once a face mask becomes damp it must be removed and replaced. This will also ensure they have a replacement if a mask gets lost. Once removed, face masks must be stored in a small plastic bag. Therefore, please also ensure that your child brings a small plastic bag into school daily.

Parents are also required to wear face coverings outside of the school gates and in the reception area.

### **Travel to and From School**

We continue to encourage you, where possible, to support your child in walking or cycling to school.

If your child travels on public transport for example on public buses, then they must wear a facemask. If your child travels by taxi or a private van service then they must also wear a face mask to reduce their risk of contracting and spreading Covid-19.

**We respectfully ask that you park responsibly, wear a face mask, maintain social distancing and do not congregate at the school gates at both school start times and school home times. We need to keep these areas as clear as possible to ensure that all children are safe when entering and exiting the school and allow them to maintain social distancing.**

**Primary Pupils:** Your child will be lined up with their teacher and ready to be picked up from the outdoor area. Please ensure that they have suitable outerwear clothing and that you collect them at the time stated below.

**Secondary Pupils:** If you are picking up your child, please set up a meeting point at a suitable and appropriate location **away from the school entrance** and ask your child to meet you there.

### **Uniform**

Pupils must return in full school uniform from 8th March, including appropriate school shoes. With this in mind, we would be grateful if you could please check your child's uniform, to ensure that it still fits them appropriately. We strongly believe that prioritising normality, routine and our high standards, will give our students the best possible chance of reintegrating successfully.

### **Expectations**

Students will be expected to maintain all previous Covid secure measures including, social distancing, increased hand hygiene and one-way systems that were introduced in the Autumn term.

We believe school is the best place for a child to study and thrive and look forward to welcoming our pupils back.

If you have any queries, please get in touch by contacting the school office.

Jazakumullah,

Wassalaam
